A HOLIDAY WISH.
Give me the days of long ago,
When I was a trusting boy,
And Christmas times were all too short,
But filled with childish joy;
Give me the days when life looked big—
And bills were small, I vow—
When a quarter bought as much, it seems,
As a dollar bill does now!

POSITIVELY

D. HECHINGER & CO TO OUR PATRONS!

AND THE PUBLIC IN GENERAL.

The indications strongly point to the best Holiday trade we have enjoyed for many years. The inducements we are holding out in prices, considering the class of goods we carry, must appeal to the intelligent people. Did they not, the public would not flock to our store as they do.

WE NEED NOT AGAIN ENUMERATE THE ELEGANT, SENSIBLE AND USEFUL LINES OF MERCHANDISE SUITABLE FOR CHRISTMAS PRESENTS.

Our window displays tell that story better than we can tell it in the newspapers.

We ask our friends, and particularly those near home, not to defer their shopping in our line until the last day or two before the holidays. It is always best to avoid the rush incident to the last two or three days before Christmas.

In the last twenty-four hours we received a new supply of choice Mufflers and Gloves. We call particular attention to them on account of their elegance. WE GIVE GLOBE TRADING STAMPS.

THE HOME STORE. D. HECHINGER & CO.

The High School classes of Miss Ella B. Metcalfe and Miss Daisy G. Greenwood were yesterday the recipients of a genuine surprise at the hands of their teachers. Shortly after noon they were marched to the Elks Home, where the spacious dining-hall soon presented a lively scene. To the number of over forty the young ladies and young gentlemen were served with creams, cakes and fruits, which were highly enjoyed. Such thoughtful care on the part of the teachers cannot fail to have a beneficial effect on the pupils.

Mr. William Byron, one of Mason county's oldest residents, died suddenly about 10 o'clock last evening at his home on the Fleming pike, a short distance from this city.

Mr. Byron was a native of county Limerick, Ireland, and came to Mason county some sixty years ago.

The interment will be in Washington Cemetery.

PRETTY CANTATA

Successfully Rendered at the M. E. Church Last Night

The cantata given by the children of the Third Street M. E. Sunday-school last evening was enjoyed by a large and appreciative audience.

Miss Rains presided at the piano and Miss Wetzel accompanied on the violin.

The program consisted of recitations, songs and dialogues. While the exercise throughout was pleasing and entertaining there were several fetching features. Master Senteny in his topical song, Miss Shepard and the Misses Walsh, the little midgits in their baby song, and especially the anvil chorus by a quartet of boys were taking and up-to-date.

The master of ceremonies, grandpa Lane, was right at home in all his parts.

Boyd Muse was in fine voice and John Walsh made a typical Santa Claus.

After the program came the distribution of presents, the most interesting to the little ones of all the evening's entertainment.

The Church was in appropriate regalia for the occasion, and the evening was one of unalloyed pleasure to all present.

Buy early at O'Keefe's.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

A WOMAN'S BACK

The Aches and Pains Will Disappear If the Advice of This Maysville Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it. Many Maysville women know this. Read what one has to say about it: Mrs. John E. Burns of the West End, near Pogue's, says:

"I am greatly pleased with the benefit I received from the use of Doan's Kidney Pills, which I procured at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. Use proved them to be the best kidney remedy that I know of. I have heard a number of persons speak of the great relief obtained from the use of Doan's Kidney Pills."

Reynolds, son of Mr. Ward, a Director in the Farmers National Bank of Augusta, was killed yesterday evening at 4 o'clock. School had just been dismissed, and in attempting to cross the C. and O. track he was run down by a freight and cut to pieces. The deceased was about 15 years old and was a bright, manly boy, being a general favorite. His father being in extreme delicate health is now in Colorado. Reynolds was the apple of his parents eye and his cruel and untimely taking off is a crushing blow to his loving mother and affectionate father.

THE Chief of Police of Chicago, impressed at last with the enormity of the outrage, has finally issued orders prohibiting the striking drivers from interfering with funeral processions and picketing houses where there has been a death.

ABOUT the poorest compliment that can be paid to a prominent man is to have his name mis-spelled in the newspapers. This has been a marked feature of the notices in regard to the late JOHN R. PROCTER—even some of his home papers insisting on substituting an "o" for an "e."

THE Louisville Herald says the Democratic party has long prided itself on being Jeffersonian, long gloried in being Jacksonian, but is today led by men neither Jeffersonian nor Jacksonian, so far as the expansion necessary for this Nation's security and preponderance in the Western Hemisphere is concerned.

THE OLD RELIABLE

Stop for sale at the Limestone Distillery, on and after December 11th.

William and Jeff Caswell of Harrison county were fatally hurt by a falling tree.

The walls and roof of the old Thirteenth Regiment Armory, Flatbush avenue and Hanson Place, Brooklyn, collapsed yesterday. Five laborers were killed and many injured.

As Mr. Thomas Luman was passing over the crossing at the Postoffice corner last evening about 6 o'clock he was struck by a buggy and nearly knocked off his feet. Fortunately he was not hurt.

Music, recitations and Santa Claus will be at the Baptist Church Christmas night. Miss Edith Berry will sing and Mr. Nelson Weedon of Flemingsburg will play. The Church will be open at 7:30 o'clock and all are welcome.

The Appalachian Gas Company of Fayette county, with \$1,000,000 capital stock, has filed incorporation articles. Ex-Governor M. C. Alford, ex-Chief Justice J. H. Hazelrigg and John R. Allen are the incorporators. The company is organized to develop and pipe the Estill county oil, gas and mineral fields.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by J. Jas. Wood & Son.

LUMAN—DINGER.

A wedding which will be somewhat of a surprise to their many friends occurred at 8 o'clock last evening at the residence of the officiating Minister, the Rev. Dr. John Barbour of the First Presbyterian Church, the contracting parties being Mr. Will Luman and Miss Agnes Dinger.

Both bride and groom are among Maysville's worthiest young people, the bride being a daughter of Mr. and Mrs. John Dinger, and Mr. Luman a son of Mr. and Mrs. Thomas M. Luman of East Third.

THE LEDGER joins with their large circle of friends in wishing that their life may be a long and happy one together.

STUART—FILSON.

Mr. J. W. Stuart and Miss Clara Myrtle Filson were married last evening at the home of Mr. John I. Mathews, the brother-in-law of the bride, by Rev. R. E. Moss, Minister of the Christian Church.

The bride was beautifully gowned in white and held in her hand a large bouquet of exquisite roses.

The groom wore the conventional black and seemed very happy in leading to the hymeneal altar so worthy a bride. He is well known in this city as a young man of worth.

The home was prettily decorated with plants and flowers. After the ceremony ice and cake were served.

Many useful and beautiful presents proved the esteem in which the young couple were held by the friends.

From here they left for Flemingsburg where they will make their future home, carrying with them the good wishes of their many friends.

To improve the appetite and strengthen the digestion, try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H. Seitz, of Detroit, Mich., says, "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." There are people in this community who need just such a medicine. For sale by J. Jas. Wood & Son. Every box warranted.

Prof. Frank Smith of Cynthiana, en route home from treatment in the Presbyterian Hospital at Cincinnati, died Tuesday while the train was passing Falmouth.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Dr. Armstrong of Delia, Tex., prescribes it daily and says there is no better cough remedy made. Sold by J. Jas. Wood & Son, Druggists.

Operations Avoided.

Hospitals in our great cities are sad places to visit. Three-fourths of the patients lying on those snow-white beds are women and girls.

Why should this be the case? Because they have neglected themselves.

Every one of these patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at the left or right of the womb, nervous exhaustion, pain in the small of the back. All of these things are indications of an unhealthy condition of the ovaries or womb.

What a terrifying thought! These poor souls are lying there on those hospital beds awaiting a fearful operation.

Do not drag along at home or in your place of employment until you are obliged to go to the hospital and submit to an examination and possible operation. Build up the female system, cure the derangements which have signified themselves by danger signals, and remember that **Lydia E. Pinkham's Vegetable Compound** has saved thousands of women from the hospital. Read the letters here published with the full consent of the writers, and see how they escaped the knife by a faithful reliance on Mrs. Pinkham's advice and the consistent treatment of

Lydia E. Pinkham's Vegetable Compound.

READ THE FOLLOWING LETTERS:

"I was taken sick very suddenly July 13th with severe cramps, or pains. I summoned a doctor and was in bed a week lying on my back all the time. The pains left me very sore. In a few weeks I was feeling better but was soon taken sick again with those pains and had another doctor. This one said I had neuralgia pains of the stomach and ovaries. He injected morphine and eased me again, but I remained sore and weak from the pains and continued to flow for one month and three days without stopping for one day.

"The doctors wanted to scrape the womb, saying the lining was inflamed. I had a pain at times in my right ovary and felt weak nearly all the time. Am only twenty years old, never was sick until this sickness in July. Menses never lasted more than four days and never an ache or a pain.

"I began the use of **Lydia E. Pinkham's Vegetable Compound** and soon was feeling better. I am now well and strong again. Your medicine has relieved me of the pain in my side and stopped my flowing which the doctors could not do.

"I feel very grateful to you and can recommend your medicine to all suffering women."—LUCILLE A. GAINES, 2348 Pine St., St. Louis, Mo.

"I suffered with female trouble for over eight years, had womb trouble and painful menstruation. Have been under the care of doctors who said I would have to submit to an operation before I could be cured. I suffered everything.

"One day I picked up a paper and noticed your advertisement and a testimonial from a friend I knew, stating your medicine had cured her so I thought I would try it. I told my husband I would give up all doctors and try your medicine. I began using your medicine just two months ago and cannot say enough on its praise. Menstruation comes freely now without pain.

"**Lydia E. Pinkham's Vegetable Compound** has brought health, joy and happiness to me. My advice to all suffering women is to try your **Vegetable Compound**."—Mrs. FRED McNAUGHTON, Box 401, Breckenridge, Minn.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

SILENCE!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indecent. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge in his offer of free consultation by letter. All correspondence is held as strictly private and confidential. Address Doctor R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Favorite Prescription establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"Having used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' during the past year," writes Mrs. Mattie Long, of Platts Valley, Perry Co., Pa., "I can truthfully recommend these medicines for all female weaknesses. I have used several bottles of 'Favorite Prescription,' which I consider a great blessing to weak women. I was so nervous and discouraged that I hardly knew what to do. Your kind advice for home treatment helped me wonderfully. Thanks to Dr. Pierce."

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

A Wife and Mother

Should not be exposed to the schemes of self-styled financiers. So think a great many men who, instead of leaving their insurance in bulk to their widows, have counseled with The Mutual Life Insurance Company of New York, and adopted a course, which has eventuated in something like the plan of the late

Archibald N. Waterhouse, of Philadelphia, who died suddenly last Friday and who held policies amounting to \$60,000 in The Mutual Life Insurance Company of New York. The forms of insurance under which these policies were issued were so selected that his widow will receive at once \$20,000 in cash and an annual income of \$6,000 for twenty years, and if she is living at the end of that period she will receive \$60,000 in cash, making the total amount received under these policies \$140,000, on which the premiums paid by Mr. Waterhouse amounted to only \$7,000.

(From Philadelphia Record, Nov. 13, 1902.)

In writing for terms on similar policies, state what you would like to receive in cash at the end of the limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.

Santa Claus' Dream!

Old Santa Claus pondered and scratched his head; "What good thing can I do for Maysville?" he said. "The people there are good and they're true; They deserve something fine and something new." So he thought and planned with emotion deep, Till at last, so weary, he fell asleep. The wind howled and whistled and fast fell the snow; The people of Maysville appeared in a row, Marching two by two, rich and poor, young and old, With feet bare and freezing and bleeding with cold. To the sole of a foot there was never a shoe; They begged Santa Claus' pity for even a few. His eyes filled with tears, he awoke with a start, And wondered what angel had entered his heart.

He sprang to his feet, danced and shouted with glee: "I'll send Dan Cohen to Maysville," quoth he. "A gift better far than a Christmas tree— A blessing perpetual he surely will be; A tree bearing fruit in all seasons he'll be; Oh, better, much better, than gay Christmas tree! He shall furnish them shoes so good and so cheap That careworn mothers will cease to weep Over barefooted girls and barefooted boys. He shall offer them something far better than toys— Shoes for the young and shoes for the old, For shy little girls and big brothers bold, For little and big and all the 'betweens,' By the hand of his Manager, W. H. MEANS."
